

	<b>QUALITY POLICY</b>	Document No.	OGEL-QMS-POL-001
		Issue Date:	15-Jan-2026
		Revision No.	0

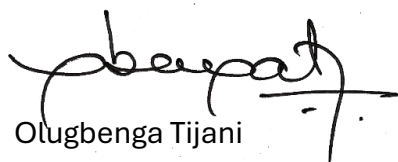

Oats-Global Energy Limited is committed to delivering high-quality Civil Works, Power Generation and Consulting, Power Development, and Renewable Energy Solutions that consistently meet customer needs and contribute to sustainable industrial growth. Our operations are driven by professionalism, technical competence, innovation, and a strong focus on customer satisfaction.

In alignment with ISO 9001:2015 requirements, Oats-Global Energy Limited is committed to:

- Providing services and solutions that are appropriate to the purpose and context of our organization and that support our strategic direction of operational excellence, sustainability, and long-term value creation for our stakeholders.
- Establishing, implementing, and reviewing measurable quality objectives at relevant functions and levels, using this Quality Policy as a framework to drive performance, efficiency, and continual improvement.
- Complying with all applicable statutory, regulatory, contractual, and customer requirements related to our activities, products, and services.
- Continually improving the effectiveness of our Quality Management System through risk-based thinking, performance monitoring, internal audits, management reviews, and corrective actions.

Top management is fully committed to providing the leadership, resources, and support necessary to ensure the effective implementation and continual improvement of the Quality Management System.

This Quality Policy is communicated, understood, and applied across all levels of the organization and is made available to relevant interested parties.

Olugbenga Tijani

Managing Director/ CEO
